Prospect House & High Garden Nursery, Devon

The owner of Prospect House is a very keen salvia enthusiast who has more than 200 varieties planted amongst the rare shrubs and late flowering perennials in this one acre garden, which makes this ideal for a late garden visit. As the NGS says—"a gem, not to be missed".

Teas will be served and there will also be a plant stall run, by Jo Fox of Fox's Plants, so if you want anything specific, you may pre-order from their website www.foxplants.com but don't leave it until the last minute!

We then transfer by coach to the nursery. No lunch is provided so we recommend you bring along a packed lunch so that you can eat it whilst travelling on the coach.

Next we visit High Garden Nursey which is packed with the unusual, in addition to the 5 acre garden!

Especially impressive are the deep double herbaceous borders—so more chance for some purchases.

We would hope to get back to Colehill, having stopped at Blandford to drop off, by about 6.00 pm.

Included:

- ◆ Return coach travel departing from Olivers Road, Colehill at 9 a.m. or from Blandford—Tesco bus stop at 9.30 a.m.
- ◆ Entrance and refreshments at both venues
- ◆ Driver's gratuity

If for any reason you cancel your booking more than one calendar month prior to the event, an administration charge of £5.00 per seat booked will be deducted before a refund is made. If such cancellation occurs less than one month prior to the event, no refund will be made. Any refunds will be paid after the date of the event.
