Sussex Prairies & Borde Hill, Sussex

Our first stop will be to **Sussex Prairies**, Henfield, the largest prairie or naturalistic garden in the country, 8 acres of grasses and perennials in huge borders, which only opened to the public in 2009.

Our September visit is timed to see the garden at its peak. The owners will give us an introductory talk and we are visiting in the morning **before** they open to the general public. There is a kiosk offering teas/coffees, cakes and ice creams only or you can

eat your packed lunch in the gardens. Plants will be for sale.

We then have a short 20 minute journey to **Borde Hill**, a heritage garden set within 200 acres of traditional parkland with views over the Sussex high Weald.

The 17 acre garden includes a rose garden, Italian garden, Paradise Walk, Dell and a Midsummer Border. There is a cafe should you wish to purchase lunch or you can picnic in the grounds. There is also a shop and a plant nursery.

Don't forget to bring a packed lunch.

Included:

* Return coach travel departing from Olivers Road, Colehill at 9.00 am, or Meeting House Lane, Ringwood at 9.20 am, returning by 6.00 pm depending on traffic.

* Entrance into both gardens with introductory welcome talks

* Driver's gratuity
